

The Doctrine of Sin Bible Study

Jan and I are excited about and asking God to really do some significant work through this Bible Study. In addition to having dinner on Thursday before the Bible Study starting at 6PM with study starting at 6:30PM we have also added some helps for Bible Study review and preparation.

During this study you will be able to access the study materials online through the Misawa Hospitality House website. The address is http://www.misawahospitalityhouse.com/bible_study.php Once you get to the website you will notice the area that looks like the picture below. I have added some hyper links to the appropriate data that you can download ahead of class.

The underlined text indicates Hyperlinks to the areas for study. The Notes will be posted at least a week prior to the lesson and can be downloaded as a PDF document and reviewed prior to the study. Note that the un-underlined Study Notes are not yet loaded, cause I am still working on them.

Doctrine of Sin Bible Study Materials
Study Materials developed in conjunction with the Resolved 2009 Conference

Sept 24th - Lesson One: The War Against Your Soul Part 1
- Part One Study Notes
Oct 1st - Lesson Two: The War Against Your Soul Part 2
- Part Two Study Notes
** Lesson One/Two Presentation by Rick Holland: MP3 Download

Oct 8th - Lesson Three: Blessed Bankruptcy Part 1
- Part One Study Notes
Oct 15th - Lesson Four: Blessed Bankruptcy Part 2
- Part Two Study Notes
** Lesson Three/Four Presentation by Steve Lawson: MP3 Download

Also with this study you can click on the MP3 Download link to listen to the presentation in advance. I highly encourage this, or better yet click on the Resolved 2009 conference website link and download them all in advance (the audio tracks are free). This is the kind of material that you can easily listen to several times without it getting old or stale.

It will help us keep costs down if you print your own material out at home and bring it with you to the study, and the time spent in review and prayer will help us to go much deeper in our discussion of this topic. If you forget to do this or leave it at home, no worries, as I will have extra copies available at the study.

Also, I have placed some study links on the website if you want to go deeper in your preparation. If you have any other suggestions let me know and I will take a look at them as well.

Rick

PS: While at the website, look it over and let me know what you think and if you have any ideas or recommendations. My goal is to make it the local go to website.
