Helpers Needed: The RE program often needs volunteers to do odd jobs such as search for certain materials, do cut and pasting craft prep work, organize materials. Many of these jobs can be done from home or at the chapel in a couple of spare hours. We would like to put together a list of people willing to be emailed when such jobs come up. If you are willing to have your name added to a potential volunteer email list so that you can be made aware of such opportunities to serve, please send an email to Mary DeJager at joelmary@heronet.ne.jp.
